

## Mail Bid Sale #58

The MBS continues to be successful with a loyal group of club members involved in both buying and selling. The Mail Bid Sales typically sell about 80% of the lots listed.

I do have concerns:

- I have a backlog of material to sell. Right now I have four more complete sales in the “pipeline” This means that material submitted today for future sale will not appear in the newsletter until next year. The backlog is growing.
- Quality material is always welcome. Faulty stamps are difficult to sell even at very low prices.
- Slow-selling or over-supplied countries include USA, especially Plate Number Blocks post 1940; Great Britain, Germany, DDR.

Thanks for your continued interest and support for the Mail Bid Sale!---Mike Crump (#2126) MBS Manager
