

MAIL BID SALE #70 - LOTS OF NEW STUFF!

For sale #70, we are welcoming several new sellers and thus have many new and exciting offerings.

Pay particular attention to the several French colonies, including very interesting Cameroon revenues as well as comprehensive traditional collections from Cameroon, French Congo and French Equatorial Africa. The range of countries is exceptional with several seldom-seen entities represented. There are also quite a number of Faroe Islands lots, including modern MNH material. Once again, we have a number of offerings from Iceland. The U.S. section includes everything from classics to ducks and even Puerto Rican revenues. And there are plenty of mixed lots. Check out the Bargain Bin, where most items have had their minimum bids reduced by 40 to 50 percent from their previous level. Thanks to all the folks who submitted lots and those who bid in the last sale.
