

MAIL BID SALE #71 - LOTS OF NEW STUFF!

This sale features quite a number of unusual items, including collections of interesting covers. Once again we have classics from the French colonies: Central African Republic, Chad, Congo, Middle Congo, Ubangi-Shari and the Southern and Antarctic Territories. Check out the early Great Britain and the German States offerings. There are souvenir sheets ranging from the classic era (some noted in Scott footnotes) to the very recent.

Check out the Bargain Bin for some surprises; most items have minimum bids reduced 40-50 percent from their previous level. Thanks to all the folks who submitted lots and those who bid in the last sale.
