2799	02/28/14	2805	03/31/14	Swap Circuits Seek Members The Swap Circuit program is always accepting new participants. The program consists of five individual circuit types (Large, Small/Definitive, Cancelled to Order (CTO), Super and USA), each operating in the same manner. The circuit manager creates a routing sheet (containing 4-5 members) and a packet of stamps. After receiving the mailing, the first person on the sheet selects the stamps they would like to keep from the packet and "swaps" (replaces) them with an equal or greater number of stamps (without regard to catalog value). Once the member is done with their swap, they mail it to the next person on the routing sheet. The process continues until the last person receives the packet and makes their swaps. The last member then returns the packet to the Swap Manager, along with mint postage so that the next circuit can be mailed out. A new packet of stamps, is created, the order of the people on the routing list is changed, and the circuit is sent back out for the second round, and so on. To join, complete and return the form (and proper fees) at right. Happy Stamping!
