## Mail Bid Sale #112: Smokey Stover, Manager

We are back on a trend to somewhat larger sales. Sale 112 is a little different in that there are more than the usual few "dead countries" represented, especially extensive Cilicia, but also French India, Rouad, Mesopotamia, Tripolitania and Alouites. Also, this sale has more than the usual number of large collections, including Tonga, Togo, Afghanistan, Norway, China and Chile. Of special mention is Romania. The owner obtained a huge dealer's stock and broke it down into many, still large but manageable, chunks. While there is much duplication, these are priced to sell at very large discounts from CV. As always, there are good deals to be found in the Bargain Bin as well.
