

MAIL BID SALE #75 - LOTS OF NEW STUFF!

This is a huge sale - the largest one to date. Pay particular attention to the extensive U.S., including early FDC booklets and a lot of revenues! There is much early Australia, including states. There are also scattered German Colonies throughout. Don't miss some of the higher value Monaco, the solid Britain inventory and several large lots, including a North Africa selection, mint Egypt and Manchukuo. Good luck bidding!
